## Affiliate programme and recorded endorsements

The affiliate programme offers revenue share, CPA, hybrid and sub-affiliate plans, a dedicated manager and a claimed 30-second registration flow. It promotes lifetime income, flexible commissions, timely payouts and no negative carryover. The product pitch mentions 6,000 casino games, sportsbook, esports, live casino, mini-games and tournaments; that count belongs to the affiliate page rather than every other catalogue snapshot. WhatsApp, Telegram and email are named contact/share channels. FAQ headings ask how to join, commission rate/calculation and payment frequency, but this passage supplies no numeric rate or payment schedule.

| Displayed endorser / property | Scope of the testimonial |
|---|---|
| Anthony / Plinko-Bonus | Dedicated team and prompt, thorough replies. |
| Sarah / Chicken-Mystake | Longstanding partnership and favourable system review. |
| George / MyStakeSports | Exclusive partnership and recommendation. |
| Robert / Mystake-Dino | Positive experience with affiliate managers. |
| Paul / Lucky-minigames | Reported good results, reliability and environment. |
| Marcus / My-stake.casino | Promotions and kind, fast managers. |
| Gerald / NOLIMIT CASINOS | Professional attitude, integrity and friendliness. |
| Non Gamstop Casino / Impossible Game Squad | Claim about conversions and traffic from any GEO. |
| Andrew / Best.Casino | Efficient, communicative team. |

These are attributed promotional testimonials, not verified income results or permission for every country. The affiliate system targets social channels, groups and gambling websites and describes monthly earning opportunities through referrals.

## Tournament participation and reward forms

The general tournament guide awards one point per $1 wagered on the designated games; bonus-funded bets earn half points, $1 bonus = 0.5 point. Eligible mini-games, sportsbook, slots or live casino depend on that tournament’s description. Ranking determines rewards, and reward/game rules can vary.

Cash prizes have no wagering. Bonus-money prizes require 1–5x turnover depending on the event and may restrict games; inspect Profile > My Gifts > Bonus. Freebets apply only to their Game List, cannot be used with an active bonus and require an accumulator with three selections, each at least 1.3x. Free spins are credited after the tournament, start on the relevant slot and have a Game List under Profile > My Gifts > Free Spins; their winnings are real money without wagering.

## First Week Cashback

Eligible cashback is credited automatically seven days after registration for casino slots/sports betting: 10% of the first week's lost deposits, maximum €300 and minimum €5 or currency equivalents. It has 15x wagering, 15-day validity and maximum stake €20 or equivalent during rollover. Sports bets must be accumulators with at least two selections, each priced 1.4+; baseball, outrights/single-way markets, tennis, handicap and draw-no-bet do not count and may be voided with winnings forfeited. Restricted slots, mini-games and live casino do not contribute.

Withdrawal remains capped at 5x the cashback even after continued play following rollover: a 100 EUR/USD bonus permits at most 500 EUR/USD. Excess is deducted on withdrawal. Cancellation deducts the bonus, winnings and all bets placed from activation to cancellation, because real and bonus money are combined. The operator reserves modification, cancellation or termination; general terms apply.

## Top 5 League accumulator boost

The 2026–27 Top 5 Leagues offer runs through the final and applies to related pre-match/live markets. An accumulator needs at least two selections, each at least 1.20. The percentage increases the combined odds directly. Minimum bonus is $5, maximum $100,000 or equivalent. Only real-money tickets qualify. Cashout or partial Cashout immediately removes the enhancement and uses original odds. The operator may amend, suspend or cancel the offer.

## VIP points and levels

The Galaxy system describes Stars from slots, mini-games and sports, redeemable for cash, free spins, freebets and bonus money without reducing level progress. Its general prose says $1 = 0.01 Star and $100 = one point. Its product breakdown separately gives sports $1 = 0.03 Star, while slots and mini-games remain 0.01. Both statements retain their source scope. Active-bonus play earns no Stars.

| Level / planet | Points | Listed benefits |
|---|---|---|
| 1 Pluto | 0–500 | Welcome offers; special marketplace items and prize wheels. |
| 2 Neptune | 500–5,000 | 50 × €1 level-up free spins on Axolotl Games COD Hunters. |
| 3 Uranus | 5,000–13,000 | 100 × €1 free spins; marketplace access; 5% weekly cashback. |
| 4 Saturn | 13,000–25,000 | 150 × €1 free spins; 6% weekly cashback. |
| 5 Jupiter | 25,000–40,000 | 200 × €1 free spins; 7% weekly cashback; VIP manager. |
| 6 Mars | 40,000–60,000 | €300 cash bonus; 8% weekly cashback. |
| 7 Earth | 60,000–80,000 | €400 cash bonus; 10% weekly cashback, wager-free. |
| 8 Venus | 80,000–100,000 | €500 cash bonus; 12% weekly cashback, wager-free. |
| 9 Mercury | 100,000–10.0M | €3,000 cash bonus; 13% weekly cashback, wager-free. |
| 10 Sun | Handpicked | €5,000 cash bonus; customised prizes and exclusive manager rewards. |

Updated rewards do not create retroactive top-ups for a tier already reached and rewarded under older terms. Future level-ups receive the newly listed rewards; the operator reserves adjustments. The ten-level journey begins at Pluto and ends at Sun.

## Galaxy marketplace, wheel and cashback

The marketplace deducts the Stars shown on the purchase button and loads the item to the account; available items depend on level. Check for an active bonus before redeeming cash. Wheel spins have their own Star prices; a wheel/lootbox can give a low or high prize, or Bankrupt with no benefit. Items should arrive immediately; missing awards go to live support. The VIP dashboard's upper-right History shows past spin outcomes. Level-up spins may take up to ten minutes.

Weekly cashback follows the current level and previous week's net loss; check the account/email Monday evening. Its general terms are 10x wagering, maximum withdrawal 10x the bonus and minimum €5 or equivalent. From level 7 it is wager-free cash. From level 5 a personal manager can be requested through chat or support@mystake.email.

Excluded VIP play includes live casino, Spribe and InOut, mini-game cashouts below 1.3x, roulette slots, double-option slots and video poker. Sports points are awarded only after the ticket is finalised won/lost. Redeemed cash is wager-free and withdrawable subject to other terms; if redeemed during an active bonus, that bonus's rules apply. Store/wheel bonus-money withdrawal after rollover is described as 100x the claimed bonus or $10,000/equivalent; the source wording is retained without inventing an unstated comparison operator. Galaxy free spins are wager-free. Strategies to manipulate points can cause exclusion, and reasonable suspicion of fraud permits exclusion without notice.

## Casino welcome: first three deposits

| Deposit | Bonus | Cap |
|---|---|---|
| First | 150% | 750 €/$ |
| Second | 100% | 500 €/$ |
| Third | 50% | 250 €/$ |

The package advertises 300% up to 1,500 €/$ across the first three deposits and is limited to casino slots. Minimum deposit is 20 €/$/A$/C$/R$; rollover is 30x deposit plus bonus, due within 30 days of activation. The active-bonus slot stake maximum is 5 €/$/A$/C$/R$ per spin; over-limit bets do not contribute and their winnings are forfeited. Mini-games may be played but do not advance rollover.

After deposit, activate under Profile > Bonuses before any bet, spin or stake; otherwise that offer disappears. No pre-deposit application is needed. Each deposit reward is optional and independent: declining the first does not remove second/third eligibility, and taking the first does not require taking later ones. The bonus cannot combine with another promotion. Chat cancellation deducts bonus, winnings and all bets since activation from the combined real/bonus balance. Failure to roll over within 30 days forfeits bonus and winnings. The operator reserves changes/cancellation/termination; general terms apply.

## Sports welcome

The heading advertises up to 600 € / £ / $, while the detailed offer states 120% up to 600 €/$ on the first deposit only, once. Minimum deposit is 20 €/$ or equivalent. Sports and esports are eligible; turnover is 10x deposit plus bonus, with at least three selections per ticket, each at least 1.4, and maximum bet 1,000 €/$. Baseball, tennis, handicap and draw-no-bet do not count and can be voided with winnings forfeited. Outright/single-way positions, including racing/dog racing, are not accepted.

Activate after deposit in Profile > Bonuses before placing any wager; no earlier application is required. The reward cannot be combined. Thirty days are allowed for rollover, otherwise bonus/winnings are forfeited. Chat cancellation removes bonus, winnings and all bets since activation from the combined balance. The operator may modify/cancel/terminate the promotion.

## Top 5 League leaderboard and Slot of the Week

The tournament advertises a $300,000 total pool and $10,000 every week as wager-free cash and freebets. Every $1/equivalent on a qualifying ticket earns one point ($10 = ten points). Tickets need only Top 5 League selections, at least one selection and a minimum $0.10/equivalent. Won, lost and pending tickets qualify; eligible types are pre-match, live, outright, BetBuilder pre-match and BetBuilder live. Weekly awards are automatic immediately after the week ends; cash bonuses have 0x wagering. Rules may change or the event be cancelled without notice; fraud can remove a player without notice; disputes are decided by the company and English rules take priority.

The recorded Slot of the Week is Desert Madness by Axolotl Games, awarding 2x loyalty Stars: the text changes 0.01 to 0.02 Stars “per bet”. It promises a different featured slot each week, not an evergreen feature of that title. Promotional cards also show New Daily Mini Games Race, 600$/€ FREE BETS and a share of $300,000, with DD/HH/MM/SS countdown labels and snapshot values 55 and 54.

## Other named promotions and editorial links

Additional standalone editorial links concern how to play roulette, poker and blackjack; depositing and withdrawing cryptocurrency; and betting on Valorant. They are article titles, not additional payment transactions or game rules supplied by this passage.

Additional promotions are Top 5 League Boost/Leaderboard, Slot of the Week, Welcome Casino Bonus, VIP Loyalty, 50% Weekend Casino Reload, Welcome Sports Bonus, First Week Cashback, tournaments, 10% Loyalty Deposit Bonus, Crypto Deposit Bonus, 10% Crypto Cashback, Sport Reload Bonus, 3 + 1 Freebet, social giveaways and FreeBet/FreeSpin promotions. A named card alone does not supply its complete eligibility conditions.

## Affiliate editorial and product labels

Recorded labels retain their product or market identity. Repeated names can represent separate page appearances; isolated numeric tokens are not assigned to missing events or players. Read the explanations in this volume for settlement scope.
