Multiwallet

Multiwallet provides several independent currency balances in one Parimatch account. Choose the currency for deposits, bets and withdrawals. A BTC deposit is available only in the BTC wallet. Switch wallets at any time, for example from USD sports bets to BTC casino play. There is no direct transfer/conversion between balances: USD cannot be moved to BTC; deposit separately into the new currency wallet. Select USD, BTC, EUR or another available wallet in the balance menu, deposit into the currently active wallet, and play. Winnings return to the wallet used for the stake.

Parimatch: general terms and conditions

Last updated: 10 March 2026. Read these terms before using the website or any games, products or services.

1. Definitions

1.1. T&C means these General Terms and Conditions, as amended. Betting Agreement means the contractual relationship created when a Customer places a bet through the Website Account and the Provider accepts it under these Terms. Provider means the Curaçao-registered legal entity with a valid Curaçao Gaming Authority licence under the National Ordinance on Games of Chance (LOK), P.B. 2024, No. 157, and a registered office in Curaçao. Payment Agent means an entity receiving and transferring payments for the Provider under an agreement; the Provider may use several agents. Website means parimatch.com and its games, products and services, owned and operated by the Provider as between Provider and Customer. Account means the account registered to use the Website and bet. Customer means a natural person accepting the Provider's offer under section 2.

Restricted Jurisdictions: Aruba, Australia, Bonaire, Curaçao, France, Netherlands, Saba, Sint Eustatius, Sint Maarten, Singapore, Spain, United Kingdom, United States and any FATF high-risk jurisdiction subject to a call for action (FATF blacklist), including North Korea (DPRK), Iran and Myanmar.

1.2. Other terms have their ordinary meaning unless defined otherwise or context requires otherwise.

2. Offer and acceptance

2.1. This offer is addressed only to a person who (i) is at least 18 or the higher minimum gambling age where physically located; (ii) is not physically in a Restricted Jurisdiction; (iii) is not where online gambling is prohibited; (iv) is not a citizen/resident of a state sanctioned by the Curaçao Gaming Authority; (v) is not a citizen/resident of a state whose laws fail international FATF standards or whose AML/CFT strategy has FATF-reported deficiencies; and (vi) is not an employee, former employee or relative of an employee of the Provider or its affiliates.

2.2–2.3. Registering an Account or accessing and using the Website accepts the offer and these binding Terms, makes the person a Customer, and confirms full compliance with 2.1.

2.4. The agreement requires continuous compliance with 2.1 and additional applicable requirements. Non-compliance automatically suspends it for its duration, except 2.6.

2.5. Website availability is not itself an offer. The Provider disclaims liability or compensation for losses, costs or damage from use by an ineligible person; that person acknowledges the disclaimer. Every user independently bears responsibility for applicable local law and tax accounting, reporting and payment; the Provider is not responsible for non-compliance.

2.6. An ineligible registrant irrevocably agrees that deposited funds are a gift to the Provider, refundable only at its discretion. Such activity is social gambling. Payments to that person are mistaken transfers, remain the Provider's property and must be returned.

2.7. Section 2.6 applies throughout a suspension under 2.4.

2.8. Customers must communicate politely with support without profanity, threats, insults or spam. Violations may suspend support access for 1 day to 3 months or restrict the Account at the Provider's discretion.

2.9. Customers bear applicable legal and tax obligations and must not collude, use prohibited software, manipulate results or gain an unfair advantage.

2.10. The Provider may void a Betting Agreement, refuse obligations or withhold winnings if the Customer is physically in or a citizen/resident of a Restricted Jurisdiction, is where online gambling is prohibited, or is an employee, former employee or employee's relative of the Provider/affiliates.

3. General provisions

3.1. The Website is for personal use, not commercial income.

3.2. Particular games/products/services may have additional territorial and eligibility requirements. Starting use accepts their additional binding terms, which take precedence for that use.

3.3. The Provider may unilaterally amend these Terms at any time for any or no reason. It will use commercially reasonable efforts to email material changes, but Customers must check regularly. Continued use accepts changes even without notice.

3.4. These Terms frame promotions and bonuses and prevail over campaign conditions unless expressly stated otherwise. The Provider may assign and novate rights to a third-party operator, subject to law, necessary licences/permissions and assumption of obligations. It may refuse, change or withdraw promotions, bonuses or offers on suspected abuse, manipulation, bonus hunting or breach even without an express prohibition. Promotion-integrity decisions are final.

3.5. Website use accepts additional policies including Privacy and Bonus Policies and consent to personal-data processing as described. Data is collected for account management, AML/KYC and service provision and retained only as necessary. Access, correction or deletion requests: support@parimatch.com.

3.6. The Provider may appoint a Payment Agent at any time and for any period for deposits, withdrawals or other settlements. Customers irrevocably accept such payments as correct, as if made directly with the Provider.

3.7. Withdrawals may be suspended and/or the Account frozen pending all verification/KYC/AML procedures. The Provider may request identity, residence, income/source-of-funds, payment-account ownership documents or video verification. Withdrawals may remain restricted until completion.

3.7.1. Additional documents/information may be requested at any time even after initial verification.

3.8. All periods are calculated in UTC.

4. Customer Account

4.1. Only one Account is allowed. At the Provider's discretion, different people sharing a family/household, email, phone, payment account, IP address or device may be treated as one person.

4.2. Customers must not create multiple Accounts, give third parties access, create/use an Account for someone else, or create/use one as an employee, former employee or employee's relative of the Provider/affiliates.

4.3. Funds withdrawn in breach of 4.2 are mistaken transfers, remain the Provider's property and must be returned; the Provider may deduct them from the Account.

4.4. Account details, including full name, phone and birth date, must be accurate and promptly updated in settings. Changes may require additional verification.

4.5. At any time the Provider may request documents/information establishing ownership and lawful Account use and preventing fraud/AML. Examples include ID photograph, payment instrument/account photo or screenshot, residence proof photo/screenshot, selfie with ID, income and funds-source evidence, or a selfie with a message such as “Hello [Provider trade name]” and/or actions such as winking or turning the head/hand. Other reasonable evidence may be requested.

4.6. Documents must match Account details, be valid and clearly show the holder's photo, birth date and issue/expiry dates. Hide the three-digit CVV/CVC in card photos; the Provider never requests it. Reasonable validity, image-quality, language or translation requirements may apply. Changed details may require before/after documents and evidence of the change. Phone/video checks may be used. Verification timing is individual; reviewing each Customer response averages up to five days.

4.6.1. Suspected fraud may require video identity verification. Failure within the deadline may block the Account and confiscate funds.

4.6.2. Failure to provide documents/information within 14 calendar days of an email, phone or remote-video request may suspend the Account, restrict play and prevent withdrawals until CDD completion. Continued failure/refusal may terminate the Account and return the remaining net deposit balance to its original payment source if no unlawful activity is suspected. Refusal, evasion or third-party, forged or edited documents (including software/image-editor alterations) may void all bets and winnings and return only deposits. Alternatively the Provider may void all bets and return all funds previously transferred into the Account.

4.7. Withdrawals may be suspended for suspicious activity/fraud pending verification, before complete initial verification, and during additional/repeated verification.

4.8. Any above breach is material. The Provider may retain all Account funds as a penalty, without prejudice to other remedies, terminate the Terms immediately and close Account/Website access.

4.9. Customers protect their credentials. Third-party activity resulting from poor security is treated as the Customer's activity without Provider liability and may constitute prohibited third-party access.

4.10. The Provider may terminate and close an Account at its discretion without reasons or advance notice, returning the balance less applicable withdrawal fees.

4.11. Betting Agreements may be voided for multiple Accounts including new names; collusion to bypass limits; registration with others' data; fraudulent/unauthorised transactions such as old payment instruments or chargebacks; collusion with third parties including gambling/payment providers for unfair winnings or exceeding limits; automated betting software; arbitrage instead of genuine betting; or loyalty-programme

abuse.

4.12. The bookmaker may lose trust if a Customer cannot explain bet history, principles, motivation, interest in the event or other requested integrity questions, or answers leave doubts. Bet size, volume and structure may support this. Management decisions are final. A negative balance may be considered before any payout.

5. Website use

5.1–5.3. Subject to ongoing compliance and verification, Customers may bet through their Account. Except 2.6, these are real-money games requiring real-money deposits under section 6. The Provider is not a financial institution and pays no interest. Customers authorise deduction of stakes.

5.4. Winnings are not guaranteed; play can cause financial loss for which the Provider is not liable.

5.5. Any game, product or service may be removed at any time.

5.6. After 12 consecutive months without deposit, withdrawal or bets, a monthly administrative fee of USD 5/equivalent or the lower remaining balance may apply until exhausted or renewed deposit/withdrawal/betting. Exhaustion permits immediate closure/termination. Email notice is given at least 24 hours before the fee. Account closure may be appealed to support@parimatch.com within 30 days of notice.

5.7. Maximum stakes may vary by game, product, promotion, sport, competition, event, market or bet type, and change without notice. Individual event/Account limits and special restrictions may be introduced or removed without notice or reasons.

5.8. Unless otherwise approved/stated: minimum single stake USD 1; maximum single win including jackpots USD 1,000,000/equivalent; winnings may require game-administrator confirmation before credit, with the verification threshold set by the Provider.

5.8.1. A server-confirmed bet, including a numbered receipt displayed on the Website, cannot be changed, cancelled or withdrawn.

5.9. A bet over the event/type maximum may be submitted as a VIP bet if the balance exceeds the normal maximum; minimum VIP stake is USD 100/equivalent; singles, accumulators and systems are allowed; LIVE events and express-line bets are excluded; submit at least 20 minutes before the event. Within 15 minutes the Provider accepts the whole bet or rejects it; progress/result appears in Account History. After rejection an ordinary bet within the limit is allowed. Maximum VIP payout: USD 1,000,000/equivalent.

5.10. The English version of these Terms or other Provider documents prevails over other languages as original and controlling.

6. Deposits

6.1. Use methods available on the Deposit page at transaction time, subject to this section.

6.2. Payment accounts/cards/bank accounts/e-wallets must belong to and be registered in the Customer's own name. Third-party and corporate payments are rejected. If credited, notify the Provider immediately for deduction. Failure to notify may additionally result in a penalty equal to the third-party payment and

winnings earned after it.

6.3. Minimum deposit may change and is shown on the Deposit page; if absent it is USD 5. Payment providers may impose higher minima and transaction maxima.

6.4. The Provider offers no currency exchange. Internal currencies include USD and other currencies available at/after registration. Deposits may undergo multiple conversions; resulting losses are not the Provider's responsibility.

6.5. Deposit/withdrawal fees depend on method and are displayed on the respective pages. Issuing-bank, payment-system, wallet and other provider fees are outside the Provider's control/liability.

6.6. Deposit credit times depend on method and may change; current timing shown in the Account when depositing takes precedence over earlier information.

7. Withdrawals

7.1. Use withdrawal methods available at transaction time, subject to this section.

7.1.1. At least one successful confirmed deposit is required before any withdrawal, including winnings from no-deposit offers or promotions available before the first deposit.

7.2–7.2.1. AML wagering requirements apply before withdrawal. Unless expressly stated otherwise, a deposit includes that deposit and all winnings from its use, including previous bets with it.

7.2.2. Stakes using a deposit must total 100% of that deposit. Winnings, bets settled at odds 1 and Cashout bets do not count. After completion the corresponding amount is withdrawable.

7.2.3. A new deposit after completing an earlier deposit's requirement has its own requirement; the completed earlier deposits remain withdrawable.

7.2.4. A new deposit before completing an earlier one also requires wagering. Requirements are tracked separately in deposit order, first in first out; a bet cannot count against multiple deposits. Any withdrawal fee is shown in the Account when requesting withdrawal.

7.2.5. Winnings from a particular deposit become part of it and are withdrawable only after its wagering requirement.

7.2.6. Uncompleted deposits are used first, oldest to newest. Completed deposits are treated as one pool and used only after all uncompleted deposits are gone.

7.2.7. The Provider may, but need not, allow early withdrawal for an additional AML-risk fee of at least 5% of the deposit.

7.3. Withdraw only to personally owned payment accounts registered in the Customer's name. Third-party/corporate accounts are excluded. The account must previously have funded a deposit. If unavailable, for example expired, first deposit at least the minimum from the replacement account before using it for withdrawal.

7.4. Withdrawal minimum may change and is displayed on the Withdrawal page. If unspecified, the payment provider sets it by method. A provider may cap each transaction, requiring instalments. The Provider may

also split any withdrawal into equal or unequal transactions for operational reasons.

7.5. No currency-exchange service is offered. Internal withdrawal currencies are USD and EUR; multiple conversions may occur without Provider liability for resulting losses.

7.6. Banks/payment providers may block or reject transactions at their discretion without Provider liability. Some methods do not support certain currencies. Exceptional bank transfers may incur intermediary-bank fees outside Provider responsibility.

7.7. Processing/credit timing depends on method and banking partners and may change without notice. Current timing displayed in the Account at request time governs the transaction.

8. Refunds

8.1. Website payments are final and non-refundable.

8.2. Deposit-refund requests follow the payment provider's policies. The Provider processes refunds only for proven fraud, underage gambling or other unlawful Customer acts; remaining funds may go to victims or charities at its discretion.

8.3. Bonuses and winnings associated with a refund are cancelled.

8.4. Transactions deemed risky for security/legal reasons by either provider are returned to the relevant payment account and necessary authorities/parties notified.

8.5. The Customer bears all refund costs.

8.6. External financial institutions/payment providers process transactions outside Provider control. Successfully processed and credited transactions are valid, final and non-refundable.

8.7. The Provider is not liable for indirect/incidental refund losses; the Customer bears all related costs.

9. Anti-fraud policy

9.1. Fraud includes collusion; strategies for unfair winnings; fraud against other gambling/payment providers; chargebacks or repudiated payments; multiple Accounts; coordinated bets to exceed limits; bets capable of influencing an outcome, cooperation with those who can influence it or knowledge of such influence; arbitrage/advantage play; and other dishonest play.

9.1.1. Suspected financial fraud, including unauthorised payment use/carding, outcome manipulation or other fraud, may freeze all funds and suspend services pending investigation. Confirmed fraud permits confiscation without notice to minimise loss and protect Website integrity.

9.2. Suspicion may suspend the Account and withdrawals. Confirmed fraud permits retaining all funds as a penalty. Fraudulent winnings paid out are mistaken payments remaining Provider property and must be returned. Regulators may be notified.

9.3. Even an unaware, uninvolved Customer's game results are void if others' fraud distorted them: winnings are cancelled and stakes returned.

9.4. The Provider uses commercially reasonable efforts to communicate decisions, reasons and consequences.

9.5. Suspected/proven Website manipulation may result in withheld payments and criminal proceedings against perpetrators or attempted perpetrators.

9.6. Customers must not exploit errors/omissions and must promptly report them. Breach makes the Customer liable for Provider costs associated with the defect and failure to notify.

9.7. Automated software, bots and AI for influencing play or unfair advantage are prohibited; monitoring may lead to suspension, void bets and confiscation.

9.8. Collusion, including sharing concealed-card information or coordinating bets, may block Accounts and confiscate funds.

9.9. Integrity violations, match fixing and conflicts of interest.

9.9.1. The Provider may void Betting Agreements made before/after an event starts, refuse obligations/winnings and/or stake refunds if (a) the Customer is an athlete in the event, an owner/coach/official/player of a participating club, or bets on such a person's instructions, regardless of when this becomes known; or (b) reasonable suspicion exists that unfair sporting competition occurred or influenced the result. A bet may be deemed wholly/partly suspicious, suspending settlement and payout until Provider/authorised investigations end.

9.9.2. Confirmed unfair competition permits refusal of stake refunds/winnings and referral to law enforcement to investigate involvement and liability.

9.9.3. If investigations remain incomplete 1,095 days after the bet/part was deemed suspicious, the Provider voids it and refunds the stake upon the Customer's written request.

9.9.4. Unfair competition includes wholly/partly predetermined results through participant/third-party collusion, match fixing under competition rules and unlawful influence on official sporting or other outcomes. Reasonable suspicion includes reports from national/international/foreign integrity organisations, for example TIU, Early Warning System GmbH (EWS) and FederBet AISBL.

10. Responsible gambling

10.1. Gambling is entertainment, not income or debt repayment.

10.2–10.3. The Provider applies individual limits or exclusion on request. Submit written notice specifying limit type, duration and parameters such as maximum losses per period.

10.4. Requested limits are applied within 24 hours. Deposit limit: daily/weekly/monthly aggregate deposits, then deposits blocked until period end. Loss limit: daily/weekly/monthly aggregate loss calculated from deposits excluding winnings; betting stops when balance falls by the limit. Stake limit: daily/weekly/monthly total stakes regardless of result, then betting blocked. Session limit: daily/weekly/monthly total Website-use time, then games blocked. Cooling-off: deposits/bets blocked, but login/withdrawals remain subject to withdrawal rules. Self-exclusion: deposits, bets, withdrawals and login blocked for the requested period.

10.5. Stricter limits may be requested at any time under 10.4. Relaxation/removal requests are individually approved or rejected at the Provider's discretion.

10.6. After expiry, use may resume without these section-specific limits, subject to the general Terms.

10.7. All responsible-gambling/self-exclusion requests are processed within 24 hours of receipt.

11. Complaints

11.1. Follow the Customer Support page or email support@parimatch.com within six months of the relevant gaming session. Third-party payment providers follow their own terms/timelines. The Provider reasonably assists but cannot guarantee their investigation speed/outcome or accept responsibility for matters outside its control.

11.2. Support seeks prompt resolution and escalates unresolved matters to managers.

11.3. Customers are entitled to transparent, fair and effective handling and free independent ADR. The permanently available Player Complaints Policy takes precedence over this section in a conflict. The supplied source does not specify a policy URL.

11.4. Spam, repeated unfounded complaints or staff abuse may restrict or cause complaints to be ignored. Communications may be recorded.

11.5. Provider server logs/records are valid evidence of participation, conditions and results and prevail over conflicting on-screen results.

11.6. A dissatisfied Customer may escalate free to independent ADR after internal procedures, before court action, accepting that ADR binds the Customer and meeting eligibility criteria including a minimum EUR 2,000 dispute.

11.7. Messages sent to Account contact details are valid and deemed delivered when sent.

12. Other provisions

12.1. No liability applies for hardware/software failures, unstable/lost internet or other technical failures limiting access/continuous use.

12.1.1. Despite accuracy efforts, live scores, statistics and times are informational only; no liability for inaccuracies. Consult additional sources. English T&C prevail over translations.

12.1.2. Displayed dates/times are informational; errors do not void bets. Bets before the actual start remain valid. Actual start time from the organiser/authoritative sources governs settlement.

12.1.3. Minor spelling/translation differences in players, teams or venues do not affect bet validity; the Provider is not responsible for translation accuracy.

12.2. Bets/payments accepted through Provider error may be cancelled; erroneous winnings deducted and stakes refunded.

12.3. Mistaken credits, including technical, odds or human error, remain Provider property and are deducted. Already withdrawn amounts become Customer debt. Customers must immediately report

mistaken credits.

12.4. The Provider, managers, staff, partners and contractors do not guarantee fitness for Customer purposes, error-free software/Website or uninterrupted Website/game access.

12.4.1. To the maximum lawful extent, no liability applies for direct, indirect, incidental, special, punitive, exemplary or other losses from access, use or inability to use, whatever the legal basis (contract, tort, negligence, etc.) or foreseeability.

12.4.2. Aggregate liability per claim is capped at the lower of total Customer stakes in the three months before the incident or EUR 2,000.

12.4.3. Exceptionally, documented verified damage exceeding the standard cap by no more than three times may be considered for discretionary compensation up to three times the cap. This neither admits liability above the cap nor commits to payment.

12.4.4. Any claim may be rejected for Customer breach such as multiple Accounts, fraud, bonus abuse or false AML/KYC data. Payments may be withheld/cancelled, winnings voided and access permanently restricted.

12.4.5. Claims need proper verifiable documents, requestable at any stage. Failure to supply them within seven days may reject/reduce the claim.

12.5. Customers indemnify and hold harmless the Provider, directors, staff, partners and contractors against liability, claims, costs and losses arising from Customer breach.

12.6. The Provider makes final decisions on breaches and consequences including blocking/suspension.

12.7. On termination for breach, the section 2 offer no longer addresses that Customer and no new Account is permitted.

12.8. Customers cannot assign rights/obligations to third parties.

12.9. Account closure may be requested through support; the Provider verifies the requester's identity before closing.

12.10. In addition to breach/legal closure rights, the Provider may close without explanation on advance notice. Except breach cases, Customers must first withdraw their balance subject to limits/rules, fees and wagering requirements.

12.11. Closure for breach prohibits new Accounts and Website use.

12.12. Curaçao law governs, with exclusive jurisdiction of Curaçao courts.

12.13. Illegal/invalid provisions are severable; the rest remain valid.

13. Intellectual property

13.1. The Provider exclusively owns its trademarks, logos, software and Website content. Unauthorised use, reproduction or distribution is prohibited and may be prosecuted.

13.2. Automated/mechanical access or reproduction requires prior written consent.

14. Bet settlement and disputed results

14.1. Official results follow official records and verified sources after completion. The Provider decides source discrepancies/obvious errors. Integrity cases follow 9.9.

14.2. Bets made after the outcome was known or after a significant advantage, such as a goal, dismissal or substitution, may be voided with stake returned.

14.3. Live scores, times and statistics are informational; the Provider disclaims inaccuracy liability and recommends official sources.

14.4. Live bets use the Provider's actual-play data. Lost/incomplete feeds may cause settlement at odds 1.00.

14.5. Disputed-result claims must arrive within ten days of official completion; later claims are rejected. Provider decisions are final.

14.6. Match fixing, manipulation or other integrity breaches may void agreements made before/after the start, refuse winnings and/or stake refunds. If an uninvolved Customer neither participated nor benefited but the result was distorted, the Provider may void the bet and refund the stake; its decision is final.
