Tower Rush 2: identity and complete observed feeds

Tower Rush India | https://towerrushindi.com/en/alternatives/tower-rush-2/

A separate product

Searching Tower returned both Tower Rush and Tower Rush 2, so the suffix was checked before launch. The recorded sequel contains 2X Chance and Buy Bonus; these are not features of the selected original. The original has its own Build/Cashout, Frozen Floor, Temple Floor and Triple Build. Similar names or covers do not merge games, RTP configurations or wallets.
