Gifts from Melbet: August 2026 draw

This saved campaign ran from 17 August 2026 at 15:00 to 30 August 2026 at 23:59, UTC+3, subject to change. The entry window ended earlier, at 18:00 on 30 August: subscribe to the official channel in Max and enter the account ID in the data form beneath the Gifts from Melbet post. The excerpt does not supply a complete channel URL. A randomiser selects at most 4,200 winners and their reward types by 30 August at 23:59. Each participant can win once in the campaign; one reward is issued per recognition.

Reward label	Recorded face value, RUB coupons
Freebet No. 1	5,000
Freebet No. 2	3,000
Freebet No. 3	1,000
Bonus No. 1	3,000
Bonus No. 2	1,000
Bonus No. 3	1,000

All are described as credits to a special bonus account. Freebets must each fund one forecast in full within 168 hours; expired freebets and forecasts made with them after expiry may be cancelled without compensation. Bonuses No. 1 and No. 2 instead require one forecast using main-account funds within 168 hours. Bonus No. 3 also requires a main-account forecast within 168 hours. Compliance may release an amount equal to the bonus onto the main account after approval. The excerpt gives no further numerical stake condition for those forecasts; the identical No. 2/No. 3 values are retained.

The freebet is not money, property, currency, electronic money or an unconditional cash claim; it cannot be transferred, gifted or inherited, and no alternative use, compensation or recalculation is due under the saved offer. Suspected violations may lead to requests verifying age and registration data. The operator reserves early termination and changes to prize count and fund size. It may use pre-campaign records.

The draw’s recorded data-processing clause

Participation is described as informed, voluntary consent to processing supplied information, including personal data, by the operator and authorised parties using automated or other necessary means. The clause cites Article 3 of Russian Federal Law No. 152-FZ of 27 July 2006. It says consent can be withdrawn by a signed written notice at least three months before withdrawal. This is the archived contractual wording, not a statement that every such restriction is legally effective. Its cross-reference to clause 5.10 is retained as a source reference rather than reconstructed.

VIP Birthday: five status thresholds

Within MELBET PREMIUM SIZE, VIP Birthday requires at least one interactive stake since registration/identification before participation and active VIP status on the birthday. At most one award per year is allowed. The extracted block omits campaign dates and the actual birthday freebet amounts; it says the amount depends on status but supplies no amount table.

Status	Accumulator volume / all forecast types, RUB coupons
XS	5,000,000 / 15,000,000
S	10,000,000 / 30,000,000
M	20,000,000 / 60,000,000
L	50,000,000 / 150,000,000
XL	150,000,000 / 450,000,000

The operator assigns status and accepts eligibility at its discretion. It checks and credits the chosen freebet within seven calendar days of the birthday. One forecast must use it within 168 hours of credit. Once accepted as compliant, winnings minus the freebet may move to the main account; no transfer occurs before approval. The saved terms say refusal cannot be challenged. This VIP offer is distinct from the ordinary Birthday Bonus with its OSP-based scale.
