VIP Cashback: eligibility and award forms

The saved Russian-market campaign dates are 1 May 2025 at 00:00 to 30 November 2027 at 23:59, UTC+3, subject to change and use of earlier records. Eligibility requires monthly OSP of at least 10,000 conditional units and one of five discretionary VIP statuses. Calendar months run from 00:00:00 on day one to 23:59:59 on the final day, UTC+3, with the first period beginning on campaign opening. At most one prize is available per calculation month.

Cashback Freebet is credited to the special bonus account at 5–15% of monthly OSP, never above 15%. VIP Cashback is credited to the main account at 5–20%, never above 20%. Both are gaming coupons, not currency, electronic money or unconditional cash claims; they cannot be transferred, gifted or inherited, and alternative compensation, recalculation or use cannot be demanded.

Status references, timing and release

This subsection repeats the XS threshold of RUB 5,000,000 in settled accumulators or RUB 15,000,000 across all forecast types, and XL at RUB 150,000,000 or RUB 450,000,000 respectively. The intervening thresholds are retained in the VIP Birthday reference. Award form and amount remain discretionary, even when the table conditions are met. Eligibility checks, the award decision and credit occur on days 1–15 of the following month. The saved rules say refusal cannot be challenged.

For Cashback Freebet, converted funds cannot transfer before the operator accepts the relevant forecasts. Earlier active bonuses block use while its own expiry continues. This subsection does not restate a precise freebet use deadline, so a deadline from another campaign is not silently substituted.

For main-account VIP Cashback, forecasts must total the credited amount before the sum can be withdrawn as winnings. Every forecast must have odds strictly greater than 1.1; backgammon does not count. Non-compliance can lead to withdrawal refusal. Only uses allowed by the gambling rules are permitted, and the operator reserves additional conditions.
